### FEO Award, FEO Best Clinical Paper Award, FEO Excellence Award

#### Dear Presidents and Delegates,

On behalf of the European Federation of Orthodontics, I am delighted to wish you all a happy 2023 and also I'd like to share with you notice of the **three FEO awards** that will be available this year. The first two awards (one Scientific and one Clinical) are for papers that have been published during the period 2021-2022, in the National Journal of an FEO member Orthodontic Society. The third is for our Excellence Award for an outstanding European Orthodontic leader – details below.

The winning papers will be presented, and the Excellence Award Winner will present their papers, during the FEO Session at the to be held at the **British Orthodontic Society Congress to be held in London, September 27-30<sup>th</sup> 2023.**

- 1. FEO Award.** This recognises a scientific paper that has made a significant contribution to research and clinical investigation, and to the advancement of Orthodontics and Dento-Facial Orthopaedics. The associated research may be clinically or laboratory based.
- 2. FEO Best Clinical Paper Award.** This recognises a clinical paper discussing a clinical technique, with a clinical report of its application to a case or limited number of cases.
- 3. FEO Excellence Award.** This is offered every second year to members who are registered orthodontists of an affiliated or corresponding society that have significantly contributed to the progress of orthodontics in Europe.

Please see the FEO Awards and the FEO Excellence Award Protocol Papers for full details. Letters of nomination are only to be received from your own Orthodontic Society (personal submissions are not acceptable) and applications should be submitted to Alex Cash, FEO Secretary-General, via email in PDF format ([secretary@feo-online.com](mailto:secretary@feo-online.com)) not later than **17<sup>th</sup> March, 2023.** I'm afraid that late submissions will not be accepted.
