FEO Award, FEO Best Clinical Paper Award, FEO Young Speaker Award

Dear Presidents and Delegates,

On behalf of the European Federation of Orthodontics, I am delighted to wish you all a happy 2024 and also I'd like to share with you notice of the **three FEO awards** that will be available this year. The first two awards (one Scientific and one Clinical) are for papers that have been published during the period 2022-2023, in the National Journal of an FEO member Orthodontic Society. The third is for our Young Speaker Award.

The winning papers will be presented, and the FEO Young Speaker Award Winner will present their papers, during the FEO Session at the to be held at **the Greek Orthodontic Society Congress to be held in Athens, December 7-8 2024.**

1. FEO Award. This recognises a scientific paper that has made a significant contribution to research and clinical investigation, and to the advancement of Orthodontics and Dentofacial Orthopaedics. The associated research may be clinical or laboratory based.

2. FEO Best Clinical Paper Award. This recognises a clinical paper discussing a clinical technique, with a clinical report of its application to a case or limited number of cases.

3. FEO Young Speaker Award. This is offered every second year to members who are registered orthodontists of an affiliated or corresponding society under the age of 35 years.

Please see the FEO Awards and the FEO Young Speaker Award Protocol Papers for full details. Letters of nomination are only to be received from your own Orthodontic Society (personal submissions are not acceptable) and applications should be submitted to Farhad Naini, FEO Secretary General, via email in PDF format (secretary@feo-online.com) not later than **31 March, 2024**. Unfortunately, late submissions will not be accepted.
