

Foederatio Europea Orthodontica - European Federation of Orthodontics

June 2022

Invitation to Contribute to the FEO Covid 19 Questionnaire Please complete by 16-09-22

Dear Presidents and Delegates,

On behalf of the Covid Committee of the European Federation of Orthodontics, and it's chair Eleftherios Kaklamanos, I am sending you a link to the Covid 19 Questionnaire for your membership to complete. I have personally just completed it, filling in my answers, and it and it took no more than 5 minutes!

We very much hope and expect that this will produce some Europe and indeed wider detail and data, of how the SARS-CoV 2 Pandemic impacted the practice of clinical orthodontics in our regions of the world.

I appreciate that each society has different methods of sharing this kind of request with its' members but it is clear that the more people that complete it, the higher quality the data will be. The board of FEO appreciate that you will share this invitation in the way your society shares requests with members and believe that will achieve the best compliance and the best return.

Below is the shortcut to the questionnaire, please import this into your browser or click to use the hyperlink:

Thank you very much for promoting this amongst your society membership. The results of this will be presented at the General Assembly Meeting in Tel Aviv in December 2022 and also then published in the FEO Newsletter.

Best wishes for the summer,
